

Tyre LIFTER 70

TYRE LIFTER 70

Cod. 05.084.27

BATTERY-POWERED WHEEL LIFTER

The battery-powered TYRE LIFTER 70 is designed to move the wheels of cars and lightweight commercial vehicles conveniently and safely.

It has absolutely unique features in the world of wheel lifters, making for an ease of operation which has no equal in rival products.

In fact there are no support forks on the ground in front of the lifter so the wheel can be easily moved in front of the assembly point without being obstructed. The wheel lifter has an effective load capacity of 70 kg.

Lifting precision means it can stop exactly where the mechanic needs to fit the wheel, like having a strong, meticulous colleague to help you.
